Dear Partners and Sponsors

**ASEF University Alumni Network (ASEFUAN) Annual General Meeting
Hanoi, Vietnam
August 2008**

It is with great pleasure that the Asia-Europe Foundation conveys its strong support to the ASEF University Alumni Network in the organisation of its Annual General Meeting in Hanoi from 3 to 9 August 2008.

In line with our mandate to build greater mutual understanding between the people of Asia and Europe, ASEF annually organises a summer programme for outstanding university students representing the ASEM countries, called the ASEF University. The ASEF University is an academic enrichment course that aims to broaden intellectual discourse on contemporary issues of international relations and foster intercultural and personal linkages among the youth. The alumni of the flagship summer school have since formed the ASEFUAN, which numbers over 450 young leaders from Asia and Europe who maintain active linkages and organise projects promoting intercultural understanding.

ASEF has pledged its financial and moral support for the 2008 Annual General Meeting. We would be most pleased if ASEFUAN is able to receive further support from other interested partners who share in our vision to reinforce co-operation and camaraderie among the youth between Asia and Europe.

Should you wish to know more about the Asia-Europe Foundation and its work with the ASEFUAN, please do not hesitate to contact us through Ms Valerie Remoquillo, Project Executive at valerie@asef.org or phone numbers +65.6874.9715.

We look forward to your support and take this opportunity to wish you a fulfilling new year.

With warm regards
